

MATHEMATICS PROFESSIONAL LEARNING

Classroom mathematics teachers will be creating lesson/unit plans, assessments, timetables and resources for one of the mathematics classes they are teaching and posting these on the identified sites to “demonstrate” and share what they are doing and to invite further sharing and collaboration from others also teaching the same course.

Math 10-3

Instructor: Ed Major (emajor@rdcrd.ab.ca)

The 10-3 journey will include rich dialogue amongst teachers, shared resources provided by teachers and the development of strong assessment resources by the group!
Continued from 2010/11!

Math 10C

Instructor: Colin Veldkamp

The implementation of Math 10C continues! Colin will be sharing and reassessing lesson/unit plans, assessments, timetables and resources relating to Math 10C.

Math 20-1

Instructor: Stephanie MacKay

Join Stephanie in sharing ideas, resources and reflections relating to the new Math 20-1 course.

<http://moodle.arpdc.ab.ca/>

Mathematics & Assessment

Instructor: Spencer Pinnock

Throughout this year Spencer will share his assessment journey with us, by sharing video clips that allow us to see assessment strategies in action, and allow us to hear feedback directly from students.

<http://moodle.arpdc.ab.ca/>

Math 20-1

Instructor: Terry Kaminski

This WIKI is to provide the opportunity for Alberta teachers to engage as a community of learners, sharing lesson ideas, instructional strategies, and assessments. Terry will also host regular discussion groups using Elluminate.

Math 20-2

Instructor: Candace Ketsa

Candace will be sharing lesson/unit plans, assessments, timetables and resources relating to Math 20-2. Join the discussion and sharing at:

<http://moodle.arpdc.ab.ca/>

Math 20-3

Instructor: Dixie Sillito & Joyce Krause

The Mathematics Demo course contains lesson plans, activities, etc., and is open to everyone.
