The ELA 30-2 group will read and discuss examples of student writing on all three assignments at the various levels of performance. In addition, participants will discuss the common features of effective approaches to the assignments. Teachers will be given the opportunity to train with the scoring rubrics and will examine and mark examples of student work. The emphasis of this session will be on supporting teachers' assessments of the outcomes of the English Language Arts Program of Studies.

Philip Taranger, English Language Arts 30-2 Team Lead and **Keri Helgren**, Examiner will present the ELA 30-2 session.

Payments received after workshop date will be assessed a \$10 late fee
