1 Classroom Management – Techniques that Work!
Great teachers make classroom management look effortless. This workshop will explore effective techniques to enable you to teach your class rather than manage them. Participants will have an opportunity to rethink discipline philosophies and refine techniques while working on their own classroom concerns.

2 Teachers and Parents – Same Goals, Different Roles
Send your report cards home and look forward to successful parent-teacher interviews. This workshop is based on the Principles of Fair Assessment and helps teachers to design and implement assessment strategies that enhance student learning. Time will be given to answer all evaluation/interview concerns.
