Do you sometimes wonder how to motivate and engage your FSL students? What should you do to make them love being in your French class?

This session will review some exciting activities that you will want to use in your French class immediately. As a result, your students' oral French will greatly improve and their enthusiasm to want to learn French will increase.

Be prepared to also share some of the activities that you use in your own French classroom. The more ideas, the better!

**Lise May** has been involved in teaching FSL as a teacher, a consultant and a school administrator for many years. She wrote and taught a L2 methodology course to student teachers in the French program at the University of Calgary, Faculty of Education. She has a great deal of experience in using different and efficient strategies for teaching and learning of FSL. Lise has a strong conviction that to learn French, students have to be motivated. Lise also offered several French summer camps to FSL teachers of all levels.

*Payments received after workshop date will be assessed a \$10 late fee*
