Would you like to know more about enhancing your teaching strategies and to truly motivate your students in your FSL class? Would you like to acquaint yourself with the various possibilities that technology offers as a French teacher? This FSL mini -camp will help you learn some efficient and fun activities which you will be able to duplicate with your students. It will also provide you with technology tools that will extend your students' FSL learning opportunities. Some of the tools will be: The Smartboard, Digital Storytelling, Audacity, Wordle, and others.

Examples of technologies:

- Using the Smartboard in the FSL class
- IMacs
- Wordle
- More tools according to your own needs

This series will be offered in English with some French examples

**Lise May** has been involved in teaching FSL as a teacher, a consultant and a school administrator for many years. She wrote and taught a L2 methodology course to student teachers in the French program at the University of Calgary, Faculty of Education. She has a great deal of experience in using different and efficient strategies for teaching and learning of FSL. Lise has a strong conviction that to learn French, students have to be motivated. Lise also offered several French summer camps to FSL teachers of all levels.

**Michelle Howell** has loved working in the French Immersion and Second Language Programs throughout her teaching career. She worked as a French Immersion Learning Leader and has had experience working as a consultant with second language teachers from grades 1-12. For 2 years, Michelle had the opportunity to work with AISI for the Calgary Board of Education and focused on incorporating technology in second language learning. For the past 7 years, Michelle has presented summer camps to teachers teaching FSL and immersion.

*Payments received after workshop date will be assessed a \$10 late fee*
