

GRADE 3 PROVINCIAL ASSESSMENT TEST IN MATHEMATICS VC Session

FOIP Release: By submission of this form, I understand that my name will be included in a closed participants' group list, as compiled by SAPDC and made available to the presenter(s) and/or the participants of this workshop.

"How do we measure up?" All registrants will receive a Feedback Form by email within the week following the session. We thank you in advance for taking the time to complete this brief survey as future learning opportunities are based on your input.

Participants pre-register and pre-pay using cheque or credit card. Fees **MUST** be paid prior to the advertised start date. Notification of withdrawal must be received in writing by SAPDC offices seven (7) working days prior to the start of the program to receive a refund. For complete details regarding our new registration and cancellation policy, please visit our website at www.sapdc.ca

Cost: \$25 includes supper and refreshments (Lethbridge site).

Please visit our Website at www.sapdc.ca to register!

This session will provide you with information about the purpose of the Mathematics 3 Provincial Achievement Test, and its connection to the intent and outcomes in the 2007 Mathematics Program of Study.

The design of the PAT test, as well as samples of questions that will be used to assess students' learning, will be shared. Highlights of the results and emerging trends, from the 2011 Mathematics PAT will also be discussed. You will have the opportunity to ask questions and to clarify your understanding of provincial assessments in mathematics, in order to enhance your classroom assessment practices.

Deanna Wiens is currently the Assessment Standards Team Leader for Grade 3 Mathematics and English Language Arts. She has been with Alberta Education since 2006. Previously, she was employed for 18 years by Edmonton Public Schools. She has taught students from Kindergarten to Grade Six, but has spent the majority of her career working with students in Division One.
