The Impact Student Leadership Workshop is a leadership initiative for high school student leaders and advisors where participants will discuss topics related to leadership, mental health, respect, and positive values. The goal of this workshop is to help student leaders develop skills that will make them better leaders in their schools and communities. Highly esteemed guest speakers will be attending and providing valuable knowledge and information that attendees can use to further develop themselves and their peers. This conference is supported by Morgex Insurance and is offered by SAPDC in partnership with the Alberta Schools' Athletic Association (ASAA)
