Program

This session will provide an update on Diploma Exams. Topics that will be discussed include: signing up for field tests, exam administration guidelines and expectations, accommodations, exemptions, using technology for written response (PAT's and Diplomas), the new written response for Math 30-1 and Math 30-2 and equating. Participants will also have the opportunity to ask questions to clarify their understandings of the diploma examination assessment processes.

This learning opportunity is made possible through funding from Alberta Education.
