## Program

Fifteen years ago, the Aboriginal Rights Coalition worked with Indigenous elders and teachers to develop an interactive way of learning the history most Canadians are never taught. The Blanket Exercise was the result; it has since been offered thousands of times. This half-day session will expand the participants' knowledge and they will be able to return to their schools to share this experience.

Please wear comfortable clothing as you will be moving about.

## Presenters

**Presented by Kairos Canada trained facilitators and a local elder**

## Registration Notes

**There is no charge for this session, however, pre-registration is required.**
