Program

This session will build teacher capacity to understand & appropriately support struggling students. We will examine strategies for improving math competency including how to link literacy and math, connect related concepts and help all students develop stronger mathematical thinking. We will also share resources that can support your learning journey.

Presenters

Cynthia Parr

Cynthia Parr, B. Ed., M. Ed

Cynthia Parr is currently a Learning Facilitator with SAPDC. Previous to this she has been a teacher, vice-principal, principal and Director of Student Services as well as taught at the post-secondary level. Cynthia received both her B Ed and M Ed at the University of Lethbridge with a focus on professional development to meet the diverse learning needs of all students. As a Learning Facilitator she supports districts, schools and teachers to develop deeper understandings in all areas related to current Alberta Education priorities. Her background is in the area of Student Services and Inclusive Learning Supports (including best practices, differentiated instruction, Universal Design for Learning, Mental

Health and Trauma Informed Practice). Cynthia is a passionate believer that every student can learn and achieve success given the necessary supports and a safe and positive learning environment.
