### Program

Working through the various modules in Dossier to support school administration, learning support, and teachers in better utilizing the software in support of reporting and student learning. Participants will receive training in each module and provided with time to work with their own data with support during the session.■

Time over the day will be dedicated to working with the Diploma/PAT results Module, The Dashboard, Attendance Module, Collaborative Response Module and all aspects of the Learner Profile and Inclusive Education components of the program.

The morning will focus on Diploma/PAT Analysis Module, The Dashboard, Attendance, and CRM in the morning

The afternoon will focus on the Learner Profile and the Inclusive Education modules.

Lunch will be provided to all participants recognizing some may choose to be there for the morning, others afternoon and many for the full day.
