Program

Participants will learn about inclusive diversity and additional language development. They will come away from the sessions with just-in-time strategies for fostering inclusive diversity within a language learning environment and key practices for differentiated instruction within classrooms.

TQS #3 - Planning and designing learning activities that ensure that all students continuously develop skills in literacy.

Presenters

Dr. Katy Arnett

Katy Arnett is currently on sabbatical from St. Mary's College of Maryland where she is a professor of Educational Studies. Her teaching and research interests are in inclusive teaching practices and methods within second language classrooms.

Registration Notes

If you are unable to attend the "live" session, the session recording will be available for 30 days for you to view.

This session is possible through funding from Alberta Education.
