## Program

Following monthly dates to be determined at this meeting.

**November 24th**

**January 24th**

**February 16th**

**Introduction**

**Guest Speaker from Gizmos**

**Sandra Cormican**

Sandra will share how she structures her day and includes literacy learning both explicitly and implicitly. Sandra will discuss both the literacy programs she uses and how she meets ELAL outcomes through strategies that require no particular program.

Through monthly meetings, we will create a collaborative virtual Kindergarten PLC focusing on the new curriculum. The hour will include sharing, questioning, and collaborating in a loosely structured setting. The timeline, topics, and ideas will be based on the needs and wants of the cohort. After the first meeting, we can tailor the details of the meetings to accommodate the group.
